The Math Movement

A Free Summer Math Camp

Who?

- Students entering grades 7 or 8 in August 2023

What?

- Campers will be taking math classes in the morning and afternoon to learn and review new fun topics (will be using a notebook)
- Campers will work one-on-one with a high schooler or college student to review the day's lesson and look over homework
- Campers will complete a daily activity (chess, math brain teasers, strategy games, team challenges)
- Campers can pack lunch or buy lunch at the food court on campus
- Campers will participate in a weekly kickball game or outside activity

Where?

- Case Western Reserve University

**Please note: campers must be dropped off and picked up by a parent daily

When?

- Camp will run Mondays through Thursdays from 8:30am to 2:30pm.
- Camp will take place from June 26-July 21. There will be no camp on Fridays except for July 7th (Independence Day Week)
