AUTHORIZATION FOR STUDENT POSSESSION AND USE OF AN EPINEPHRINE AUTOINJECTOR

(In accordance with ORC 3313.718/8313.141)

***To be completed ONLY if student will be carrying/administering an Epinephrine Autoinjector**

Student name: _____ DOB: _____ Grade:_____

This section must be completed and signed by the student's parent or guardian.

As the Parent/Guardian of this student, I authorize my child to possess and use an epinephrine autoinjector, as prescribed, at the school and any activity, event, or program sponsored by or in which the student's school is a participant. I understand that a school employee will immediately request assistance from an emergency medical service provider if this medication is administered. I will provide a backup dose of the medication to the school principal or nurse as required by law.

Parent /Guardian signature:	Date:
Parent /Guardian name:	Parent /Guardian emergency telephone number: ( )

This section must be completed and signed by the medication prescriber.

Name and dosage of medication: _____

Date medication administration begins: _____ Date medication administration ends (if known): _____

Circumstances for use of the epinephrine autoinjector: _____

Procedures for school employees if the student is unable to administer the medication or if it does not produce the expected relief:

_____

Possible severe adverse reactions to the student for which it is prescribed (that should be reported to the prescriber**):**

_____

Possible severe adverse reactions to a student for which it is **not** prescribed who receives a dose:

_____

Special Instructions: _____

As the prescriber, I have determined that this student is capable of possessing and using this autoinjector appropriately and have provided the student with training in the proper use of the autoinjector.
