CONTRACT
BETWEEN THE
FAIRVIEW PARK BOARD OF EDUCATION
AND THE
FAIRVIEW PARK EDUCATION ASSOCIATION

ARTICLE 1 – EFFECTIVE DATE AND DURATION

PREAMBLE

- 1.1 This contract made and entered into by and between the Board of Education of the Fairview Park City School District (hereinafter “Board”) and the Fairview Park Education Association (hereinafter “FPEA”) shall be effective July 1, 2019. It shall remain in effect through June 30, 2022.

ARTICLE 2 - RECOGNITION

- 2.1 The Board recognizes the Fairview Park Education Association, an affiliate of the Ohio Education Association and the National Education Association, as the sole and exclusive representative for the bargaining unit as set forth below in matters pertaining to wages, hours, terms and conditions of employment and the continuation, modification or deletion of an existing provision of the collective bargaining agreement.
- 2.2 The Board shall continue to recognize the FPEA, affiliated with the Ohio Education Association (OEA) and the National Education Association (NEA), as the exclusive representative of a bargaining unit composed of all full-time and part-time certificated/licensed personnel regularly employed by the Board. Recognition of the FPEA shall continue in full force and effect until such time as a challenging employee organization is successful in gaining exclusive representative status in strict adherence to the provisions of Ohio Revised Code §4117.05 and §4117.07. The terms “teacher” and “member of the bargaining unit (MBU)” shall be used interchangeably throughout. Wherever the term “Superintendent” appears in this contract it shall be construed to mean the Superintendent or the Superintendent’s designee, who will be an administrator of the Board, and who will not be a member of the bargaining unit.
- 2.3 Specifically excluded from the bargaining unit are the following positions: Superintendent, Assistant Superintendent(s), Directors, Principals, Assistant Principals, all other supervisory and managerial personnel as defined in Chapter 4117 of the Ohio Revised Code and any other administrators employed pursuant to Section 3319.02 of the Ohio Revised Code, tutors, preschool/day care staff members employed in programs not mandated by federal and state regulations, and substitutes working less than sixty (60) days in the same assignment.

- 2.4 An MBU hired as a substitute shall become a member of the bargaining unit after sixty (60) consecutive days of employment in the same assignment. An approved leave does not interrupt consecutive days of employment.
- A. Neither the provisions of Articles 9, Evaluations, and Article 22, Reduction in Force, nor the provisions of ORC 3319.111 and ORC 3319.11 shall apply to long term substitutes.
 - B. A long term substitute MBU's employment shall expire at the end of the long term substitute assignment without action by the Board or further notice to the long term substitute.

ARTICLE 3 – NEGOTIATING PROCEDURE

- 3.1 Either party may open negotiations by serving a written notice upon the other party during the calendar year that the contract duration ends. Copying the other party on appropriate notice to SERB will be considered sufficient.
- 3.2 The FPEA's negotiating team shall not exceed four (4) persons. The Board's negotiating team shall not exceed four (4) persons. In addition, each team may have one (1) consultant and one (1) observer present at any negotiating session. Either side shall be authorized to utilize consultants of their choice to discuss specialized topics.
- 3.3
- A. At the first negotiating session, the FPEA and the Board shall submit in writing all proposals for negotiations. Thereafter, neither party shall be permitted to submit additional items unless agreed to by both parties.
 - B. Each proposal submitted by either party shall specify in detail that to which agreement is sought. Topical listings of items shall not be acceptable unless mutually agreed.
- 3.4.
- A. While no formal agreement shall be executed without ratification by the FPEA and the Board, the parties mutually pledge that their representatives will negotiate in good faith and will be clothed with the necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations.
 - B. All issues which are tentatively agreed to by both parties shall be reduced to writing and initialed by the designated representative of each party. Such initialing shall not be construed as final agreement until all items have been initialed and ratified by both parties.
 - C. When tentative agreement has been reached on all matters under negotiation, the agreement shall be submitted to the members of the FPEA for ratification. If ratified, the agreement shall be submitted to the Board for ratification. If ratified, the agreement shall be signed by the presidents of the respective parties and both

bargaining teams. A copy of the new contract shall be forwarded to the State Employment Relations Board (SERB) by the Board. The Agreement will be placed on the District's website for access by all MBUs.

- D. Individual contracts will be consistent with the terms and conditions set forth in this contract.
- 3.5
- A. If agreement is not reached within forty-five (45) calendar days after the initial negotiating session held under this Article, or forty-five (45) calendar days before the expiration of this contract, whichever comes sooner, either party may declare a bargaining impasse. Thereupon, the parties shall jointly request the services of a mediator from the Federal Mediation and Conciliation Services (FMCS).
 - B. This negotiating procedure, including the dispute resolution procedure set forth immediately above, supersedes and takes precedence over any inconsistent or alternative procedures set forth in Section 4117.14 of the Ohio Revised Code. The use of mediation, as set forth above, constitutes the parties' mutually agreed upon and exclusive dispute resolution procedure.

The parties mutually agree to waive any statutory dispute settlement procedure and further agree that mediation shall operate in lieu of any and all of the dispute resolution procedures set forth in Section 4117.14 of the Ohio Revised Code. This Article does not diminish or preclude the legal right to strike, provided that these procedures have been followed.

ARTICLE 4 – GRIEVANCE PROCEDURE

4.1 Definition

- A. A “grievance” is any allegation by a member of the bargaining unit that a term or terms of this contract has been violated, misinterpreted, or misapplied.
- B. “Grievant” shall mean a member of the bargaining unit, the Association or, in an appropriate case, a group of members of the bargaining unit.
- C. “Immediate Supervisor” shall mean that administrator having immediate supervisory responsibility over the grievant.
- D. “Day” shall mean days during which school is in session.

4.2 Procedure

Step I

When a grievance arises, the persons affected should informally first discuss the problem with the person directly involved, generally the principal or supervisor. If the problem is not settled satisfactorily, the employee may discuss it with the next immediate supervisor or the Superintendent of Schools. The objective of all parties is to resolve the matter quickly in an informal manner at the lowest possible level. The grievant may be accompanied by a representative of the FPEA.

Step II

In the event that an MBU still believes there is a basis for a grievance, the grievant shall complete Steps I and II of the Grievance Report Form (Appendix G) and shall submit it within twenty (20) days of the alleged grievance to the immediate supervisor in duplicate. The grievant must state the article and section of the contract that has been violated, misinterpreted or misapplied and indicate in specific terms how the alleged grievance has occurred. Within ten (10) days of the receipt of a Grievance Report Form (Appendix G), the immediate supervisor shall meet with the grievant and his/her representative. The immediate supervisor shall write his/her disposition of the grievance on the grievance form and shall forward it to the grievant and the FPEA president and the Superintendent within three (3) days of the Step II meeting.

Step III

- A. If the grievant is not satisfied with the Step II disposition of the grievance, or if no disposition has been made within the required time limits, the grievant shall within five (5) days complete Step III of the Grievance Report Form (Appendix G) and shall submit said form to the Superintendent or his/her designee.
- B. Within five (5) days of the receipt of Step III of the Grievance Report Form (Appendix G), the Superintendent and/or his/her designee shall meet with the grievant and his/her FPEA representative or designee in an effort to resolve the grievance.
- C. Within five (5) days of the meeting, the Superintendent shall indicate, in writing, his/her disposition by completing Step III of the Grievance Report Form (Appendix G), and forwarding it to the grievant and the FPEA representative.

Step IV

- A. If the grievant, with the concurrence of the FPEA, is not satisfied with the disposition made by the Superintendent, or if no such disposition has been made within the time limits as stated within this contract, whichever comes first, the

grievance may within ten (10) days be submitted to arbitration before an impartial arbitrator.

- B. To submit the grievance to arbitration, the grievant shall complete Step IV of the Grievance Report Form (Appendix G) and shall file said form with the Superintendent.
- C. The parties shall request a list of nine (9) arbitrators from AAA. Selection of the arbitrator shall be by alternate strike, with the starting party being chosen by coin flip. Either party may request a second list of arbitrators.
- D. The arbitrator shall have no power to alter, add to or subtract from the terms of the contract.
- E. The fees and expenses of the arbitrator shall be shared equally by the Board and the FPEA. In the event a grievance is appealed to arbitration and settled prior to commencement of the arbitration hearing, the parties shall determine in what manner the arbitrator's cancellation fee (if any) shall be borne.
- F. The decision of the arbitrator shall be final and binding.

4.3 Miscellaneous

- A. If multiple grievances arise, all shall be designated by school year and grievance number [e.g. 15.16-01].
- B. Any grievance which arises during the life of this contract may be processed until resolution.
- C. Nothing contained in this procedure shall be construed as limiting the individual right of an MBU having a complaint or problem to discuss the matter informally with members of the administration through normal channels of communication.
- D. The FPEA retains the exclusive right to determine whether a grievance is filed and/or appealed at any level of the grievance procedure.
- E. Grievances shall be filed with the lowest level person having authority to resolve the grievance.
- F. The fact that a grievance has been filed shall not be recorded in the MBU's personnel file, nor used in the transfer, assignment or promotion process. No reprisals of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation.
- G. If a grievance arises from a claimed violation, misinterpretation, or misapplication of a provision or provisions of this contract and affects a group or class of MBUs,

the written grievance may be filed as a class action and may be filed at Step II of the Grievance Procedure.

- H. The grievance proceedings shall be kept as confidential as possible.
- I. An FPEA representative shall have the right to be present during all meetings at all levels of the grievance procedure.

4.4 Time Limits

- A. The number of days indicated at each step in the procedure shall be the maximum but may be extended by mutual agreement or extenuating circumstances involving either party.
- B. If the initial grievance is not filed per Step II or if a decision on a grievance is not appealed within the time limits specified at any step of the procedure, the grievance shall be deemed abandoned and further appeal shall be barred.
- C. Failure at any step of these procedures to communicate the decision on a grievance within the specified time limits shall automatically entitle the grievant to proceed to the next level.
- D. All notices of hearings, dispositions of grievances, written grievances and appeals shall be in writing and hand delivered or mailed by certified mail, return receipt requested to the grievant(s) and the FPEA President(s).
- E. Hearings held under this procedure in Step IV shall be conducted during school hours. All material witnesses and an FPEA President or his/her designee shall be excused to attend the hearing.

A Superintendent's decision not to make an advance shall not be subject to any appeal.

- 6.6 A. The total annual salary of each member of the bargaining unit shall be payable by the Board in two parts: (1) cash salary, and (2) deferred salary. 7.8 Personal and Academic Freedom

A. Private Life

As granted by the Constitution of the United States, the private life of an MBU is not within the appropriate concern or attention of the Board, except as it may directly prevent the MBU from properly performing his/her assigned functions during the work day.

B. Rights of Citizenship

MBUs will be entitled to full rights of citizenship, and no religious or political activities of any MBU, or lack thereof, will be grounds for any discipline or discrimination with respect to the employment of such MBU, providing that said activities are not in violation of laws and do not interfere with professional duties, occur on District time or utilize District resources.

C. Professional Environment

The parties seek to educate young people in the democratic tradition, to foster recognition of individual freedom and social responsibility, and to inspire meaningful awareness of and respect for the Constitution and Bill of Rights, and to instill an appreciation for the values of individual personality. It is recognized that these democratic values can best be transmitted in an atmosphere which is free from censorship and artificial restraints upon free inquiry and learning, and in which academic freedom for member and student is encouraged, so long as the MBU adheres to the adopted curriculum as set forth by the Board.

In performing their teaching functions, members shall be guaranteed full freedom in accordance with all rights guaranteed by the Constitution of the United States of America.

The Board and MBUs recognize the right to purchase and maintain such materials as they deem appropriate for student and MBU use, according to established Board policies and procedures.

7.9 Bargaining Unit Rosters

7.10 Board Policy/Rules

- A. The FPEA shall have online access to the Board's policies. The FPEA President(s) will be provided an e-mail notification regarding any changes to Board policy.
- B. In the event a new job description is necessary, the Team for Educational Action (TEA) representatives will take the proposed job description to the FPEA membership for input. This input will be shared with the Superintendent for consideration in the development of the final job description.

7.11 School Calendar

The Superintendent shall annually meet and confer and work collaboratively with the labor management group (TEA) to develop the school calendar. A copy of the proposed school calendar for each year(s) will be provided to TEA at least thirty (30) work days prior to it being presented to the Board for approval. The TEA representatives will take the proposed calendar(s) to FPEA members for discussion at the building level for input. This input will be shared with the Superintendent for consideration in the development of the calendar(s) to be presented to the Board.

7.12 Labor-Management Committee

The labor-management committee known as the Team for Educational Action (TEA) shall be composed of representatives of the administration and the Association. Association representatives shall be appointed by the Association. Items for consideration by TEA shall be presented to the building principal for discussion prior to being placed on the TEA agenda. So long as agenda items exist for discussion by TEA, these meetings shall not be cancelled by either party. Such meetings shall not be for the purpose of circumventing the negotiations procedure or grievance procedure provided in this Agreement. The committee will update its guidelines annually. The parties will be trained by FMCS in Labor Management best practices and consensus building as necessary, and either side may

request the assistance of FMCS at any time at no cost to the Board or the Association. The parties shall adopt ground rules in August of each year.

7.13 Continuing Contract Eligibility

Eligibility for continuing contract will be in accordance with the requirements of the Ohio Revised Code. When an MBU expects to be eligible for continuing contract status by April of a school year, such MBU shall provide written notice of such eligibility to the Superintendent not later than September 5th of the same school year. The written notice shall indicate that the MBU has met or will meet all the legal requirements for receiving a continuing contract by April 1. Failure to provide such notice shall defer eligibility until the following April. The Board of Education shall notify all MBUs of the September 5th deadline by the first payroll check in August.

ARTICLE 8 – LEAVES

Sick leave may be utilized for absence due to personal illness (including illness due to pregnancy), injury, exposure to contagious disease which could be communicated to others, and for absence due to illness, injury or death in the MBU's immediate family. Immediate family is defined as husband, wife, child or any other member of the immediate household living within the household of the MBU and any other person for whom the MBU or MBU's spouse has primary legal responsibility. The MBU may also utilize sick leave for serious illness, or serious injury or death of the MBU's father, mother, grandparent, mother-in-law, father-in-law, sister-in-law, brother-in-law, daughter-in-law, son-in-law, child living outside the household, grandchild, sister or brother.
- B. The MBU may use sick leave in connection with the pregnancy of a daughter/daughter-in-law for not more than a total of five (5) days. Additional days may be granted by the Superintendent.
- C. Within one (1) school year, any MBU shall be advanced five (5) days sick leave which he or she may utilize, if necessary, in addition to that which has been accumulated, with the condition that the Board shall withhold payment or recover cost of any used but unearned days of sick leave, if and when an MBU leaves or retires from the school system.
- D. MBUs are to report an absence as early as possible, preferably more than sixty (60) minutes prior to the start of the work day at each building. Repeated absences without such advance notification and without adequate justification may result in

disciplinary action. The District shall be responsible for providing an adequate absence reporting mechanism and back-up procedure so that an employee can report notice of absence prior to the requested time.

Upon return to work, an MBU shall submit a doctor's note for any absence by reason of injury or illness of four (4) or more consecutive days in duration.

- F. MBUs may report to the Superintendent in writing of their participation in school-related community activities and these reports shall be included in the MBU's personnel file.
 - G. The hours for any activity for which the employee is paid, including in-service education activities which have a stipend, shall not count toward the hours in Section 10.1.
- 10.3 A. Each MBU shall be available, when assigned, to serve a maximum of fifteen (15) classes per year (or more if the MBU so agrees) during the school day as a casual substitute for MBUs who are absent for short periods of time or in cases where no substitute is available.

Part-time MBUs may be asked to serve as casual substitutes during their assigned hours (or beyond if the MBU volunteers to substitute beyond his/her contracted hours).

An MBU shall not be required to supervise another class while supervising his or her own class. An MBU in grades six (6) through twelve (12), with more than three (3) preparations during that semester, shall not be required to substitute until all available MBUs that period have been assigned fifteen (15) classes. An MBU with a reduced class load is subject to unlimited casual substitution during the extra conference and planning period without compensation per current practice.

The substitution rate shall be twenty dollars (\$20) per class.

Casual substitution applies to all grade levels inclusive of Pre-K through twelve (12).

- B. Payment for casual substitution shall be paid monthly so long as the documentation for payment is submitted to the Treasurer's office at least ten (10) days prior to the payroll date.
- C. If efforts to secure the services of a non-bargaining unit substitute fail, the Board may ask an MBU to assume a long-term substitution for the same class. An MBU who agrees to assume such a long-term substitution shall be paid at the rate of one-fifth (1/5) of the employee's per diem pay for each class. A long-term substitution is defined as a substitution that, at the time of assignment, is mutually understood to be and foreseeably will be at least ten (10) consecutive days in duration. It is further understood that this paragraph operates independently of casual substitute service under paragraph A of this section. MBUs serving in long-term substitute positions shall not be asked to serve in casual substitution positions without first making such request of other staff members available that period.
- D. Morning/Afternoon Detention and Extended Detention will be posted annually. Up to four (4) MBUs will be chosen for the school year for detentions and up to four (4)

members will be chosen for Extended Detention (may overlap). The schedule shall be developed by the building principal. If an MBU assigned to such duty will not be able to attend, the member shall be responsible for finding a substitute from among the other three individuals and reporting the substitution to the principal. If more than twenty (20) students are assigned to Extended Detention or Morning/Afternoon Detention, at least two (2) educators will be assigned.

An MBU will be paid at the rate of ten dollars (\$10) per half hour for Morning/Afternoon Detention and/or Extended Detention.

- 10.4 All part-time certificated employees shall participate under Section 10.1 of this Article to an extent equal to the percentage of the time for which they are employed. Part-time MBUs will, in addition, participate fully in all provisions of Section 10.2 of this Article and Article 19; said MBUs will be compensated for the additional time beyond their assigned percentage, with a stipend of three hundred dollars (\$300).
- 10.5 The FPEA, Board and administrators will encourage the staff to attend evening and weekend student activity events and PTA activities.

ARTICLE 11 – OCCUPATIONAL SAFETY & HEALTH

- 11.1 The Board shall adopt and implement policies and procedures required by ORC Chapter 4167, by the Division of Occupational Safety & Health, by the Public Employment Risk Reduction Advisory Commission, and/or rules or regulations adopted thereunder.
- 11.2 Report Internally First

The parties desire to deal with safety and health complaints internally to attempt to correct any health or safety allegations. Accordingly, neither the Association nor an MBU may file a complaint with the Ohio Department of Industrial Relations (unless it is a condition which the MBU or Association, acting in good faith, reasonably believes presents an imminent danger of death or serious harm to her/him or other MBUs, in which case the procedures in this section need not be followed) until the following procedure has been exhausted:

- 1. An MBU or Association representative must first bring an alleged health or safety violation to the attention of the affected MBU(s)' immediate supervisor within two (2) work days of the occurrence of the alleged violation.
- 2. If the immediate supervisor does not resolve the alleged violation to the complaining party's satisfaction, the MBU or Association must file a formal complaint with the Superintendent or designee within two (2) work days after the conference with the immediate supervisor. The Association President and the Superintendent will prescribe a form for the written complaint, which will include space for the standard alleged to be violated, the specific facts on which the

allegation is based, and the precise remedy sought. The Superintendent or designee will respond to the complaint within two (2) work days.

3. If the Superintendent or designee does not resolve the alleged violation to the satisfaction of the complaining party, the MBU or the Association may appeal the complaint to the Superintendent by filing a written appeal with the Superintendent within two (2) work days of the response of the Superintendent or designee. If the Superintendent or designee fails to respond by the deadline, then the MBU or Association must file their appeal within two (2) work days of that deadline. The Superintendent or the Superintendent's designee shall meet with the complaining party in an attempt to resolve the alleged violation. Within five (5) work days after the conference, the Superintendent shall provide a written response to the alleged violation.

11.3 Board's Right to Reassign

Before exercising her/his right to refuse work under Revised Code Section 4167.06 because of a condition which the MBU, acting in good faith, reasonably believes presents an imminent danger of death or serious harm to her/him, the MBU must immediately notify her/his supervisor of the condition. The MBU may be temporarily reassigned at no loss in pay or reduction in hours while the condition is being investigated and/or ameliorated.

11.4 Claims of Violation to be Grieved

An MBU who wishes to assert a claim of discrimination as defined in Revised Code Chapter 4167 shall use the grievance procedure of this Agreement to assert such claims. The grievance procedure of this Agreement shall be the exclusive means for an MBU to assert such claim, to the exclusion of any other challenge, provided that the MBU retains the right to appeal an adverse arbitration award through the Ohio courts in accordance with the statutory procedure for such appeals.

ARTICLE 12 – POSITION SHARING

- 12.1 Position sharing shall refer to a voluntary option available for MBUs subject to the approval of the Superintendent or his/her designee. Approval shall not be unreasonably withheld. Two (2) current MBUs may share a full-time equivalent (1.0 FTE) certificated/licensed teaching assignment.
- 12.2 MBUs who wish to share a position shall submit a written plan for such arrangement to the building principal no later than April 1 of the school year preceding the proposed position share. The plan must include the following elements:
 1. The plan will be in effect for a full school year with an annual review.

2. The area of teaching assignment, including grade level, buildings and courses to be shared.
 3. A full description of the teaching techniques and methods and grading practices employed by each teacher, with a full explanation of the steps that participants will employ to insure compatibility of such techniques and practices.
 4. The percentage of the regular full-time workday each participant proposes to teach, including meetings scheduled beyond the student day.
 5. A description outlining what will happen if one (1) of the participants is unable or unwilling to complete the full school year under the position sharing plan.
- 12.3 MBUs who wish to participate must locate their position sharing partner from teachers within the district. No teacher will be required to share a position.
- 12.4 All negotiated salary and benefits including any leave earned during that time, as contained in the master agreement, shall be split according to the percentage of a regular full-time workday served by the participant. In no event shall the Board incur more than one hundred percent (100%) of the cost of one (1) full-time teacher with the exception of parent conferences and in-service days which shall be paid at a prorated per diem rate.
- 12.5 MBUs shall acquire one (1) year seniority in each year of position sharing worked provided the MBU is assigned at least fifty percent (50%) of the workday under the position-sharing plan. Otherwise, seniority shall be prorated against the minimal full-time standard.
- 12.6 Position sharing teachers will be considered for change in contract status, evaluation and layoff on the same basis as other teachers, regardless of the percentage of the team.
- 12.7 A position sharing partnership shall last one (1) full school year and must be applied for on a yearly basis.
- 12.8 Upon dissolution of the position sharing partnership, each position sharing teacher shall be guaranteed a full-time position in the school from which he/she left if a position is available in that school. If a position is not available in his/her previous school, he/she shall be given a full-time position for which he/she is certificated/licensed within the school District.
- 12.9 Certificated/licensed substitutes will be provided for absent position sharing teachers. However, position sharing teachers may substitute for each other, with advance notice should they so desire, at the prorated per diem rate, before outside substitutes are secured.
- 12.10 Neither the decision to approve/reject a request nor the position sharing plan is grievable.

ARTICLE 13 – COMPLAINTS

- 13.1 If an administrator receives a complaint about an MBU, the administrator shall advise the complainant to discuss the matter with the MBU and give the MBU the opportunity to correct any possible error or misunderstanding. Either the MBU or the complainant may request the administrator be present. If the complainant refuses to discuss the matter with the MBU, then the administrator must set up a meeting involving the complainant and/or the MBU as well as the administrator and an FPEA representative selected by the MBU as mediators to attempt to resolve the issue. If the complainant refuses to give his/her name or refuses to attend the aforementioned meeting, then the complaint will not be a matter of record nor be acted on in a way. A matter of record means the information will be placed in the MBU's personnel file. This provision shall not apply to allegations of abuse or harassment.
- 13.2 Any complaint shall be brought to the MBU's attention if it is of major importance, or which may become part of the personnel file. An anonymous complaint may lead to an investigation, but the anonymous complaint cannot become part of the personnel file.
- 13.3 If a complaint becomes a part of the personnel file of the MBU, the MBU shall have the opportunity to rebut the complaint in writing.

ARTICLE 14 – PERSONNEL FILES

- 14.1 There shall be a single official personnel file for each MBU maintained in the Board office. Confidential and payroll information will be kept in separate files. This does not limit the right of an administrator to maintain information concerning an MBU. An MBU shall be entitled to inspect the contents of his/her personnel file. This right of inspection applies not only to the file maintained at the Board office with respect to an MBU but also to documents maintained by an administrator with respect to such MBU. Confidential references furnished prior to the MBU's date of hire shall be exempt from inspection. No item from any anonymous source or complaints from the public based only on hearsay shall be placed in the employee's personnel file.
- 14.2 If a member of the bargaining unit disputes the accuracy, timeliness, or completeness of the personal information maintained in his/her personnel file, a request may be made to have the Superintendent investigate the current status of the disputed information. The MBU shall, within ten (10) calendar days, be notified of the results of the investigation and of the action to be taken with respect to the disputed information.
- 14.3 If, after exhaustion of the remedy specified in Section 14.2 of this Article, the MBU is not satisfied, he/she shall be permitted to include within the personnel file a brief statement of position on the disputed information.
- 14.4 A member of the bargaining unit shall be entitled to copies of any information subject to inspection under this Article after the MBU has reviewed the file and upon payment to the Treasurer of the required fee of \$.15 per page.

- 14.5 Any person who is not an administrator or administrative assistant/secretary of the Fairview Park Schools who examines an MBU's personnel file shall sign his/her name on the appropriate form contained within the employee's personnel file indicating the date the file was examined and the purpose of the examination. Unless otherwise required by law, an MBU shall be given notice of any specific requests to review his/her personnel file for non-administrative or non-Association business where the request is targeted specifically to a named individual. This notice shall be given to the MBU as soon as possible.
- 14.6 All critical and negative material placed in the personnel file shall be initialed and dated by the MBU and the administrator placing the material in the file. The MBU's signature does not necessarily imply agreement with the substance of the material. If the MBU refuses to sign, a notation will be made to that effect. Every effort will be made to notify the MBU of positive comments received.
- 14.7 Three (3) years following the insertion of critical and/or negative material in an MBU's personnel file, the MBU will have the right to meet with the Superintendent to discuss having such material removed from said file as long as no similar instances have occurred since the initial placement date.

ARTICLE 15 – RETIREMENT BENEFITS

15.1 Severance Pay

An MBU who retires from service with the Board and provides appropriate notice of retirement from any state retirement system and who has seven (7) or more years of service with the Board shall be entitled to be paid per Section 15.4 or Section 15.5 the 403(b) Special Pay Plan, whichever is applicable, for one-fourth (1/4) the value of his/her accrued but unused sick leave credit. The payment shall be based on the MBU's rate of pay at the time of retirement and shall eliminate all sick leave credit accrued but unused by the member at the time payment is made. Such payment shall be made only once to any MBU. The aggregate value of accrued but unused sick leave credit that is paid shall not exceed the value of forty (40) days of accrued but unused sick leave.

15.2 Retirement Incentive

In place of the “one-fourth ($\frac{1}{4}$)” and “forty (40)” limitation in Paragraph 15.1 of this contract, an MBU who meets the eligibility requirements of the preceding paragraph and who is or who becomes eligible for service retirement from the Board under the State Teachers Retirement System during the time periods contained herein shall be eligible for an extended severance pay benefit.

Eligibility

Employees shall first become eligible for the extended severance pay benefit in the school year the employee first meets STRS eligibility requirements for either the Actuarially Reduced Benefit or the Unreduced Benefit, for which the rules are as prescribed in the tables below:

Eligibility Requirements for Actuarially Reduced Benefit

On or after 8/1/2026	Age 60 and 35 yrs.; or age 65 and 5 yrs.*

*In the event the charts are modified by STRS, such modification shall become part of this provision.

An MBU is not eligible for the extended severance pay benefit unless he/she is on Step 15 or higher of the salary schedule at the time of retirement. Payment will be made after the resignation is adopted and the Board receives notice of retirement.

Employees must resign for retirement purposes at the conclusion of the school year in which employees first become eligible.

Benefit Level

For members at Step 20 or higher at the time of retirement, this extended severance pay benefit shall be equal to the MBU's per diem rate of pay times one hundred percent (100%) of the MBU's first one hundred sixty-five (165) days of accrued but unused sick leave as of the effective date of retirement.

For members between Steps 15 and 19 at the time of STRS retirement, the one hundred sixty-five (165) days shall be reduced to eighty-two and one-half (82.5) days.

The payment shall be based on the MBU's per diem rate of pay at the time of retirement and shall eliminate all sick leave credit accrued but unused by the member at the time payment is made.

Pro Rata for Part-time Members

Unless an MBU is involuntarily reduced from full to part-time, an MBU working less than full-time will have his/her per diem rate adjusted so his/her benefit will be a percentage equivalent to the time he/she works in relation to a full school year. Payment of this extended severance pay benefit will be made per the 403(b) Special Pay Plan of Section 13.4.

Deadlines

An eligible MBU shall provide notice to the Superintendent on or before January 1 of each school year and retirement shall be effective no later than July 1 of the year of notice.

15.3 General Condition

In all cases, years of service under any State of Ohio retirement system which may be combined with STRS, such as SERS or PERS, and any service credit which an MBU purchases under provision of STRS, will be included in determining eligibility provisions of this Article. The only exception would be granted for an MBU who, upon reaching the time he/she must submit a request for this benefit, declares in writing he/she will not purchase credit for which he/she is eligible and, in fact, does not.

MBUs shall give notice of retirement, if possible, by February 1 of the year in which they intend to retire.

15.4 403(b) Special Pay Plan

Retiring members of the bargaining unit age fifty-five (55) and over in the calendar year of their retirement will have the total amount that otherwise would be payable to them as Severance Pay or Retirement Incentive under Article 15, Retirement Benefits, mandatorily paid into an annuity contract referred to as the "403(b) Special Pay Plan." The terms of the 403(b) Special Pay Plan include the following:

1. Participation in the 403(b) Special Pay Plan (collectively the Special Pay Plan) shall be mandatory for any MBU age fifty-five (55) or over who is actively employed and who would be entitled to severance pay and/or a retirement incentive (if applicable) under Article 15, RETIREMENT BENEFITS.
2. The initial employer contribution shall be made on the behalf of the retiring teacher under the 403(b) Special Pay Plan in an amount equal to the lesser of:
 - a. The total amount of the participant's Severance Pay (13.1) or Retirement Incentive (15.2), in accordance with Article 15.
 - b. The maximum contribution amount allowable under the terms of the 403(b) Special Pay Plan.
3. The retiring MBU will provide to the Treasurer evidence in the form of a pay stub that the MBU has been accepted for retirement benefits by the State Teachers Retirement System. The required Severance Pay or Retirement Incentive contribution to the 403(b) Special Pay Plan shall be deposited to the plan the pay period following such receipt.
4. If after the timelines for severance and retirement incentive (if applicable) disbursements are exhausted, there is a remaining excess, it shall be deferred and the maximum allowable amount shall be placed into the MBU's 403(b) Special Pay Plan by January 15 of the year(s) following retirement.
5. An MBU who is a participant in the 403(b) Special Pay Plan shall complete the enrollment forms; and unless and until an MBU does so, no contribution of severance pay shall be made to the 403(b) Special Pay Plan on behalf of the MBU.
6. If an MBU is entitled to have a contribution paid to the 403(b) Special Pay Plan and dies prior to such contribution being paid to the 403(b) Special Pay Plan, the contribution shall nevertheless be paid to the 403(b) Special Pay Plan and then be paid to a Beneficiary of the MBU in accordance with the terms of the 403(b) Special Pay Plan.
7. The Plan year of the 403(b) Special Pay Plan shall be from January 1 through and including December 31.

All contributions to the 403(b) Special Pay Plan, all deferrals to a TSA, and all check payments to MBUs, shall be subject to reduction for any tax withholding or other withholding that the Treasurer, in his/her sole discretion, determines is required by law. Neither the Board nor the Association guarantee any tax results associated with the 403(b) Special Pay Plan, deferrals to a TSA, or check payments made to a teacher.

If for any reason the statute and/or rules and regulations pertaining to 403(b) plans should change so as to cause potential harm to members of the Association, the Board and Association agree to immediately bargain the effects of such changes.

ARTICLE 16 – SALARY SCHEDULE

16.1 The salary schedules are located at Appendices C, D, and E.

2019-2020	0% with \$750 signing bonus to be paid December 1, 2019.

16.2 An MBU who has completed graduate study which would enable him/her to qualify for a higher level of training on the salary schedule by the beginning of the school year or by the beginning of the second semester of the school year, will receive credit for such study upon filing with the Superintendent of Schools satisfactory evidence of completion, i.e., receipt of official transcript, of such additional training. Such evidence must be filed with the Superintendent no later than September 15th of the school year to qualify an MBU for additional salary credit from the beginning of the year, and no later than February 15th of the school year to qualify an MBU for salary credit for the second semester. Related salary increases will not be retroactive.

ARTICLE 17 – SUPPLEMENTAL SALARIES

17.1 Compensation for MBUs who hold supplemental contracts of employment shall be in accordance with the schedules attached. The amounts set forth on the current supplemental salary schedule shall not be increased except by mutual agreement of the parties.

17.2 Supplemental contracts are awarded for one (1) year at the compensation levels as attached in Appendix F. These contracts are automatically non-renewed each year under this Agreement without any further notice being required.

All Supplemental contracts shall be posted for all MBUs for five (5) working days during the regular work year or ten (10) calendar days during the summer months. If an MBU is denied a supplemental, written reasons for the denial or a meeting with the Superintendent to discuss the reasons for the denial shall be provided if requested by the MBU.

17.3 Accumulated years of experience in a supplemental contract position shall be maintained for salary consideration if a person is rehired into that position after discontinuance of services for six (6) or less years.

17.4 A record of supplemental contract service shall be maintained by the Board.

- 17.5 A person moving from an assistant coaching position to a head coaching position would at least be placed in the salary column one (1) ahead of where the assistant's salary would fall on the head coach's salary schedule. If the salary placement falls between two (2) columns, the higher column will be used and the salary will be placed one (1) above that column.
- 17.6 The Board reserves the right not to fill supplemental positions.

ARTICLE 18 – HOSPITALIZATION AND MAJOR MEDICAL

- 18.1 The hospitalization and major medical insurance coverage to members of the bargaining unit will be provided by Medical Mutual of Ohio. The coverages are agreed to as outlined in the Fairview Park City Schools employee plan. MBUs will have the option of selecting from three (3) plan structure options: single, employee plus one (spouse or child), and family.

A committee of representatives from administration, FPEA and OAPSE shall investigate, study, discuss and/or review policies on a regular and ongoing basis and make recommendations to FPEA and the Board of Education in regard to the District's insurance programs. FPEA members shall be appointed by FPEA and shall include a representative from each building and the FPEA President(s). Financial information shall be provided by the Treasurer or contracted health care representatives at each meeting. The committee will update its guidelines annually. Such guidelines shall neither supersede nor contradict the negotiated agreement.

The committee shall investigate the potential impact of plan and plan-administration changes on the quality and cost of the plan. When costs increase or have increased, the committee shall make recommendations to control costs. Examples of areas to investigate to control costs include, but are not limited to, a prescription formulary, co-pay changes, reimbursement to decline coverage, etc. The committee shall bring any proposal(s) to the general membership of the Association for a vote. Upon approval by the Board of Education, such proposals shall be implemented.

The current plan is provided by Medical Mutual of Ohio with the following coverage details:

Mail-order:	For a three (3) month supply:		
	Generic – \$50	Formulary – \$90	Non-formulary – \$130

18.2 During the period of this contract, the Board, with the agreement of the FPEA, may change coverage or insurance company.

18.3 The Board may make available other hospitalization and major medical insurance coverage to members of the bargaining unit, but the program recommended by the insurance committee and approved by its constituencies, and the Board, will be the primary policy. The dollar contributions identified above will apply to any HMO alternative made available by the Board.

18.4 Coverages

MBUs who accept coverage under the Board’s insurance plans will contribute through payroll deduction at the rate of fifteen percent (15%) of the premium rate contribution. Such contribution shall be evenly split and deducted two (2) times per month.

18.5 Representatives of the administration and the Association shall meet on a quarterly basis to discuss insurance-related matters of concern raised by either party.

18.6 Spousal Surcharge

All MBUs who seek coverage for a spouse must complete the Insurance Eligibility Affidavit found in Appendix H annually during open enrollment.

- A. If an employee's spouse is eligible to participate, as a current employee or retiree in group health insurance and/or prescription drug insurance sponsored by his/her employer or any public retirement plan, the spouse must enroll in such employer (or public retirement plan) sponsored group insurance coverage(s) or be subject to a one hundred dollar (\$100) per month surcharge.
- B. Upon the spouse's enrollment in any such employer (or public retirement plan) sponsored by group insurance coverage, that coverage will become the primary payer of benefits, and the coverage sponsored by the Board will become the secondary payer of benefits.
- C. Any spouse who fails to enroll in any group insurance coverage sponsored by his/her employer or any public retirement plan, as required by this Section shall be charged a one hundred dollar (\$100) per month surcharge to stay on the plan offered by the Fairview Park Board of Education.

Every employee whose spouse participates in the Board's group health insurance coverage and/or prescription drug insurance coverage shall complete and submit to the Board, upon request, a written certification verifying whether his/her spouse is eligible to participate in group health insurance coverage and/or prescription drug insurance coverage sponsored by the spouse's employer or any public retirement plan. If any employee fails to complete and submit the certification form by the required date, such employee's spouse will be charged a one hundred dollar (\$100) per month surcharge to stay on their spouse's health care coverage with the Fairview Park City School District.
- E. If the employee submits false information or fails to timely advise the plan of a change in his/her spouse's eligibility for employer (or public retirement plan) sponsored group health insurance and/or prescription drug insurance, and such false information or such failure by the employee results in the Plan providing benefits to which the employee's spouse is not entitled, the employee will be personally liable to the Plan for reimbursement of the one hundred dollar (\$100) per month surcharge.

ARTICLE 19 – DENTAL INSURANCE

- 19.1 The Board shall provide each member of the bargaining unit coverage under the Fairview Park Employee Dental Plan.

19.2 Premium Contributions

The cost of the dental coverage will be excluded from the fifteen percent (15%) employee contribution (Article 18, Section 18.4, Coverages). In lieu of a percentage contribution, MBUs who elect dental coverage shall contribute five dollars (\$5) per month toward the premium cost. Such contribution shall be made by payroll deduction.

ARTICLE 20 – LIFE INSURANCE

20.1 The Board shall provide life insurance as set forth below to the extent the insurance company will permit.

MBUs working not less than	Amount of Coverage

0-49%	\$25,000

The balance of payment for any additional coverage shall be the responsibility of the MBU. The MBU shall have the right to purchase an additional equivalent amount of insurance. This Section shall not be construed to preclude the Board from changing the insurance carrier so long as the amount of coverage is not reduced.

20.2 Premium Contributions

The cost of the life insurance coverage will be excluded from the fifteen percent (15%) employee contribution (Article 18, Section 18.4, Coverages).

ARTICLE 24 – REDUCTION IN FORCE

- 24.1 Reductions in force under this Article may be initiated in case of return to duty of regular MBUs after leaves of absence*, suspension of schools*, territorial changes affecting the District*, declining enrollment*, abolishment of programs and financial conditions. When, in the judgment of the Board, it becomes necessary to reduce the number of MBUs in the District for reasons other than performance, the following procedures shall apply:

A. Seniority

No preference for seniority shall be given except when making a decision between teachers who have comparable evaluations. For the term of this agreement, all evaluations shall be considered comparable. As such, the provisions below shall serve as the procedures followed when making staff reduction decisions involving the suspension of teaching contracts.

All MBUs shall be placed on the seniority lists in each of the areas of certification/licensure in which the MBU is certified/licensed. Those MBUs holding continuing contracts shall be listed ahead of those MBUs holding limited contracts.

Seniority shall be determined first by continuing contract status, followed by the length of continuous certificated/licensed service in the Fairview Park City Schools in a position requiring certification/licensure. Among those MBUs with the same length of continuous service, seniority shall be determined by the date of the Board meeting in which the MBU was hired and, then, if a tie, by date of first application.

Length of continuous service will not be interrupted or affected by authorized leaves of absence or layoff except as otherwise stipulated by this contract. The continuous service of an MBU who has returned to employment following resignation, unauthorized leave of absence or other termination of employment will be measured from the date of return.

This seniority list will be sent to all MBUs and the Association President and all Association building representatives by interoffice mail by November 15 of each school year. If an MBU believes there is an inaccuracy in his/her placement on the list, s/he must notify the Superintendent or his/her designee in writing of the alleged

* Terms as interpreted under R.C. 3319.17

inaccuracy by December 15. The Superintendent or his/her designee shall notify each affected MBU of the outcome of the claim, in writing, no later than January 15. If an MBU is not satisfied with the outcome, s/he shall then have the right to bring the matter to the Association for review.

On or before January 30, the Association and the Superintendent or his/her designee shall jointly review the dispute in an attempt to resolve the matter in as timely a manner as possible. If resolution cannot be reached, the matter can then be challenged through the grievance procedure. Both parties will then sign off on the revised list, excluding any still within the grievance procedure. The final list shall be distributed no later than February 15 to the Association President, all Association building representatives, and posted in each building and on the District website.

This February list will be amended in April of each school year solely to reflect newly-awarded continuing contracts. The February 15 list along with any April continuing contract amendments shall be the official list until the following November 15, and no changes will be permitted unless the procedure outlined in this paragraph has been followed.

B. Attrition

To the extent possible, the number of persons affected by a reduction in force will be kept to a minimum first by not employing replacements for employees who retire or resign or who are no longer in service for other reasons. MBUs hired as long-term substitute replacements for up to one (1) year service are automatically non-renewed and not covered by this Article.

C. Layoff

1. Layoff shall proceed in accordance with the Superintendent's recommendation of the areas of certification to be reduced, with limited contract MBUs reduced before continuing contract MBUs and less senior MBUs in that area of certification reduced first in accordance with the seniority list. The Board may deviate from seniority and contract status in order to maintain certificated/licensed MBU in subspecialty areas. All possible permutations will be attempted to maintain certificated/licensed MBUs in subspecialty areas without deviating from seniority and contract status.
2. The parties will meet to make certain that all options have been considered at least ten (10) calendar days prior to the notification in Section D. As a professional courtesy, notification shall be given to the MBU in an administrative office at the end of the school day assuming the MBU is present and available.

3. An MBU who is laid off will displace a least senior MBU with less seniority in an area of certification/licensure in which that MBU holds a currently valid certificate/license.
4. In any case where the displacing MBU is moved into an area of certification/licensure in which the MBU has not actually taught within the past five (5) years, the Board may require the displacing MBU, as a condition of retention in the area of certification, to successfully complete up to and including three (3) semester hours (or equivalent quarter hours) of coursework at an accredited institution of higher learning, in the area of certification/licensure, within twelve (12) months. In such cases, the Board will reimburse the MBU for the academic institution's fees, tuition and books for the required coursework.

D. Notice

Notification: At least seven (7) calendar days before the Board meeting at which the action is to be taken, each MBU affected shall be informed by the Superintendent and the list of MBUs whose contracts are recommended for layoff will be provided to the President(s) of the FPEA. This list shall constitute the Reduction in Force list.

Once an MBU is notified of his/her placement on the Reduction in Force list, the MBU is advised to immediately contact the Ohio Department of Jobs and Family Services for information on unemployment benefits and the District Treasurer for information on COBRA benefits. Hospitalization, Major Medical, and Dental benefits for MBUs laid off effective the end of the school year will remain in force through August 31 of that calendar year.

E. Recall

1. An MBU whose name appears on the Reduction in Force list shall be returned to active employment when a vacancy becomes available for which he or she is certified.
2. MBUs on the Reduction in Force list shall be returned to active employment to fill vacancies for which they are certified in order of seniority at the time of their layoff. In effecting recall, the good cause requirement shall be the same as that used for layoffs.
3. No MBU shall be employed by the Board for a position that can be filled by an MBU on the Reduction in Force list who is certified to teach in the vacant position.
4. In the event a vacancy (ies) becomes available, the Board shall recall the MBU to active employment status by giving written notice to the MBU.

Said written notice shall be sent to the MBU by registered or certified letter addressed to the MBU's last known address. It shall be the responsibility of each MBU to notify the Board of any change in address.

5. If an MBU fails to accept full-time employment status within three (3) calendar days, excluding Saturdays, Sundays, and holidays, from the date said notification was delivered, said MBU shall be considered to have declined said offer and shall be removed from the Reduction in Force list. An MBU shall be given a minimum of two (2) weeks to report to work.
 6. A recalled MBU shall return to active employment status with salary schedule placement commensurate with years of experience as defined by the Ohio Revised Code.
 7. An MBU's name shall remain on the Reduction in Force list for three (3) years following the last day of service, unless the name is removed at the request of the MBU or by recall to a teaching position by the Board.
- F. To the extent permitted by law, this Article supersedes Ohio Revised Code Section 3319.17.
- G. If a grievance arises with regard to the justification for the RIF, compliance with the procedures used, and/or the identification of MBUs to be laid off, the matter shall be submitted to expedited arbitration in accordance with the AAA rules for expedited arbitration in place of the traditional arbitration.

ARTICLE 25 – CHRONIC COMMUNICABLE DISEASE

- 25.1 No MBU shall be deprived of any legal rights as a result of a chronic communicable disease.
- 25.2 Information about the identity and condition of chronic communicable disease-infected students shall be disclosed to those MBUs and other staff members responsible for the student so that adequate supervision may be maintained. Those notified will observe complete confidentiality.
- 25.3 No MBU shall be required to perform any medical procedure(s) including, but not limited to, cleaning and bandaging cuts/abrasions, gastrostomy tube feedings, tracheostomy suctioning and catheterizations, on any CCD-infected student nor shall he/she be required to clean up body fluids of any CCD-infected student.

ARTICLE 26 – NOTICE OF VACANCIES

- A. When it is determined to fill a vacancy brought about by resignation, transfer, death, retirement, or a newly-created position, as determined by Board action, the Superintendent or his designee will notify all certificated employees. Notice of the vacancy and/or newly-created positions will be made by sending an e-mail to the District-issued e-mail account of all MBUs. The FPEA President and building representatives shall receive a copy of all postings at the time of posting. Such posting shall continue until the vacancy has been filled. Whenever possible the posted notice will designate the position, subject area, grade level, and building involved. The Superintendent or his designee shall give notice to each applicant when the position has been filled.
- B. Beginning the first of June through the first contract day of the following school year, vacancies will be posted as they occur by notice on the District web site. The Board shall email notice to the FPEA President(s). These notices shall include the date of the posting and shall start the time period for posting as referenced in the following paragraph. Notice of any vacancy or newly-created position shall also be included at least once in paychecks stubs mailed to members of the bargaining unit, but it is understood that the paycheck notice may come after the posting period has ended.
- C. No vacancy shall be filled until it has been posted for five (5) working days during the regular work year or ten (10) calendar days during the summer months. Vacancies arising after July 10th may be filled five (5) calendar days after the vacancy notice has been posted on the District's website. Vacancies arising after August 1 and prior to the opening of school may be filled immediately; in which case the notice provided for above need not be given.
- D. When vacancies exist within the school District, an MBU requesting a change in assignment by notifying the Superintendent or his/her designee, shall be given first consideration, providing the MBU making the request is both certified/licensed and qualified for the position requested. A decision of qualification shall be made by the Superintendent. If an MBU is denied a change in assignment, a meeting with the Superintendent or designee to discuss the reasons for denial shall be provided if requested by the MBU.
- E. MBUs may submit an assignment preference sheet to Building Principals by February 1 of each school year. Building Principals will consider such assignment preferences when development building assignments and scheduling for the following school year. Assignment preferences submitted by MBUs may not be grieved.

Appendix H – FAIRVIEW PARK SCHOOLS - INSURANCE ELIGIBILITY AFFIDAVIT

Every employee who desires for his/her spouse to participate in the Fairview Park City School District Board of Education’s (“Board”) group hospitalization and major medical insurance plan must complete and submit to the Board this Insurance Eligibility Affidavit, verifying that his/her spouse is ineligible to participate in group health insurance coverage and/or prescription drug insurance coverage sponsored by the spouse’s employer or any public retirement plan. This requirement does not apply to any spouse who works less than thirty (30) hours per week and is required to pay more than fifty percent (50%) of the single premium to participate in his/her employer’s group health insurance coverage and/or prescription drug insurance coverage. This requirement also does not apply to any spouse who is a retiree under a public retirement plan and enrolled in Medicare coverage.

If an employee fails to complete and submit this Insurance Eligibility Affidavit by _____, his/her spouse shall be ineligible to participate in the Board’s group hospitalization and major medical insurance plan.

If an employee submits this Insurance Eligibility Affidavit using false information in order to become eligible to participate in the Board’s group hospitalization and major medical insurance plan, or fails to timely advise the Board of a change in his/her spouse’s eligibility for employer sponsored group health insurance and/or prescription drug insurance coverage, such employee will be personally liable to the Board for reimbursement of benefits and expenses, including attorney’s fees and costs incurred by the Board. Amounts required to be reimbursed by the employee may be deducted from the benefits to which the employee would otherwise be entitled. Additionally, such employee’s spouse will be immediately terminated from the Board’s group hospitalization and major medical insurance plan.

Finally, an employee who submits false information on this Insurance Eligibility Affidavit in order for his/her spouse to become eligible to participate in the Board’s group hospitalization and major medical insurance plan may be subject to disciplinary action, up to and including termination of employment.

I, _____, hereby certify that my spouse, _____, is ineligible to participate in group health insurance coverage and/or prescription drug insurance coverage sponsored by my spouse’s employer or any public retirement plan.
