To Whom It May Concern,

This is a very exciting time for our students at Gilles-Sweet Elementary School!

Gilles-Sweet is moving forward in its efforts to enhance more physical and healthy activities for our students and staff. We recently installed a rock-climbing wall in our gymnasium to supplement our P.E. curriculum. In addition to our healthy initiatives, we are looking to focus on the areas of science, math, art, and technology. Many of our classrooms are implementing STEAM modules and units within our curriculum. STEAM modules aim to promote Science, Technology, Engineering, Art, and Mathematics through the use of high-quality equipment and resources.

To celebrate and encourage health and wellness with our students, families and community, as well as raise funds to support these programs, Gilles-Sweet Elementary School in collaboration with Hermes, is hosting our Third Annual Community Derby Dash 5k Fun Run/Walk on **Saturday, April 27, 2019**. Many schools struggle to raise funds for student activities and initiatives, and hold catalogue, magazine, cookie dough, and etc. fundraisers each year. Gilles-Sweet has broken that mold and instead raise funds through a fun, healthy, family orientated event.

The Derby Dash will involve a 5k Fun Run and 1 Mile Walk, as well as, games and activities following the race at Fairview High School. Last year we had over 700 participants at the Derby Dash and are looking to increase our numbers this year. We are looking for corporate and local sponsors to help make this event successful again. All donations will be identified on a donation board at the event.
